

Commitment Wizard Questions

The Commitment Wizard is designed to help guide you through the commitment making process.

Here is the list of questions you will be asked...

1. Tell us who you are, please provide the name of the organization submitting the commitment. You'll have an opportunity to add partners later.
2. Which state/region does your commitment serve primarily?
3. Name the organization(s) you partner within this work. (Optional)
4. Which of the following groups will directly benefit from your commitment?
5. Please estimate the number of direct beneficiaries (individuals/entities) for your commitment.
6. In a few words, tell us the specification, activity, or service you intend to provide. (e.g providing professional development workshops, developing coding classes, support funding for a program etc.)
7. When is the anticipated end of this specific commitment?
